5

VERA AND SIGN-UP INVITE

1 Track & manage your earnings

Access to your comprehensive bonuses information effortlessly. This information empowers you to monitor your bonuses in real-time and set-up future actions. This feature provides you with valuable insights into your financial progress..

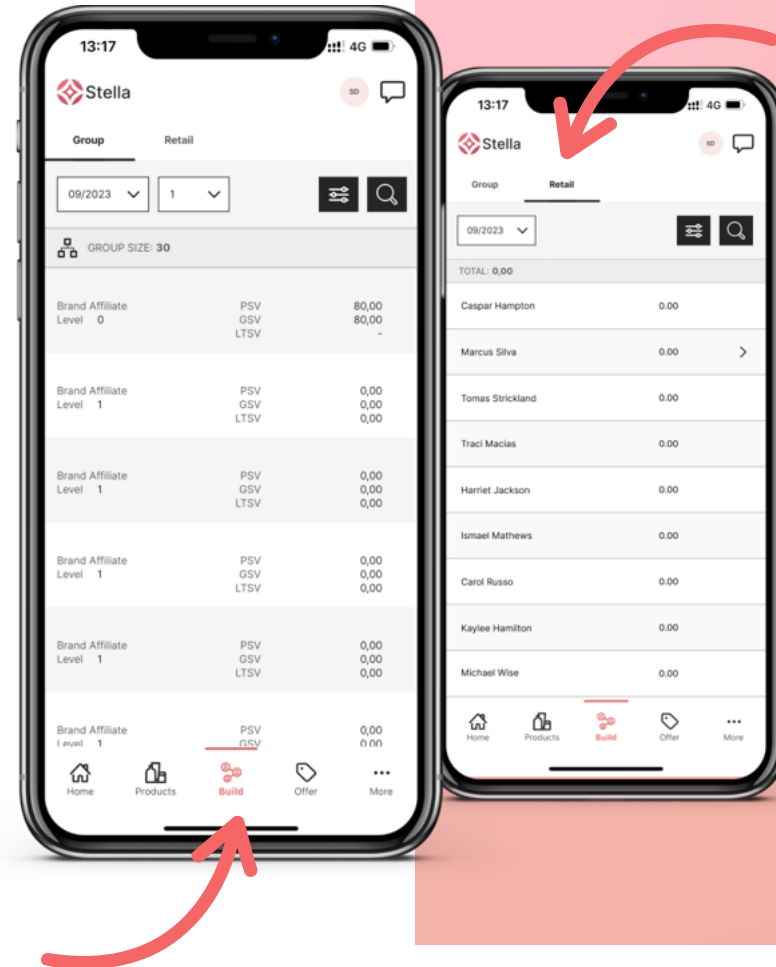

2

Volumes & Genealogy

This organizational feature allows Brand Affiliates to **view and manage their Consumer Group, monitor progress**, and get information on registered Customers.

With this tool, you will be able to **stay-up-to date** on the changes (e.g. volumes, updates, new titles...) happening throughout your organization so you can make informed decisions.

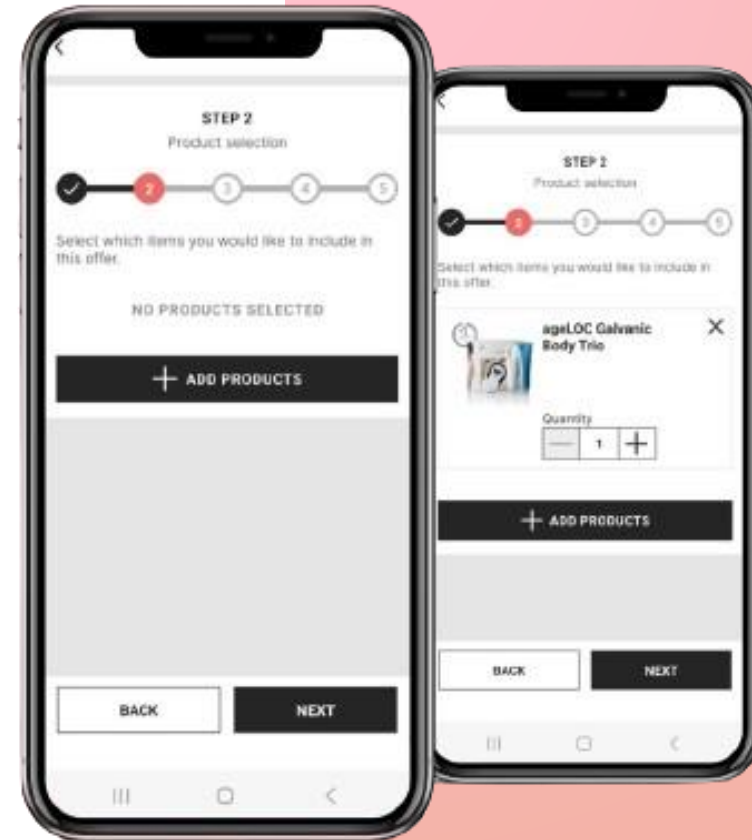

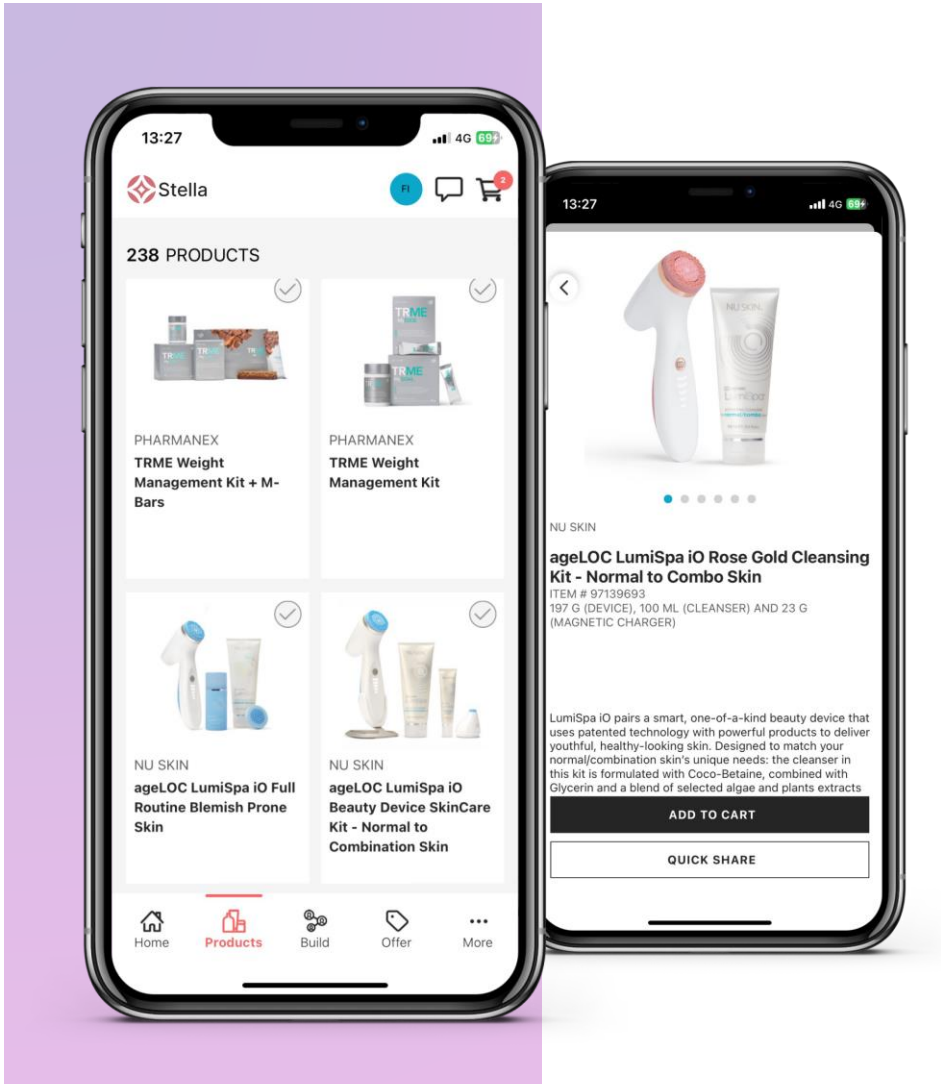

3

Product offer

Easily share products with your contacts using Stella. With a single click, Stella generates an offer for your favorite product, allowing you to **share it swiftly, and effectively.**

The best part? All sales made through product offers are attributed to you and are reflected on your earnings page.

4

Product Catalogue

Brand Affiliates are able to browse **Nu Skin's product catalogue** on their **phones**.

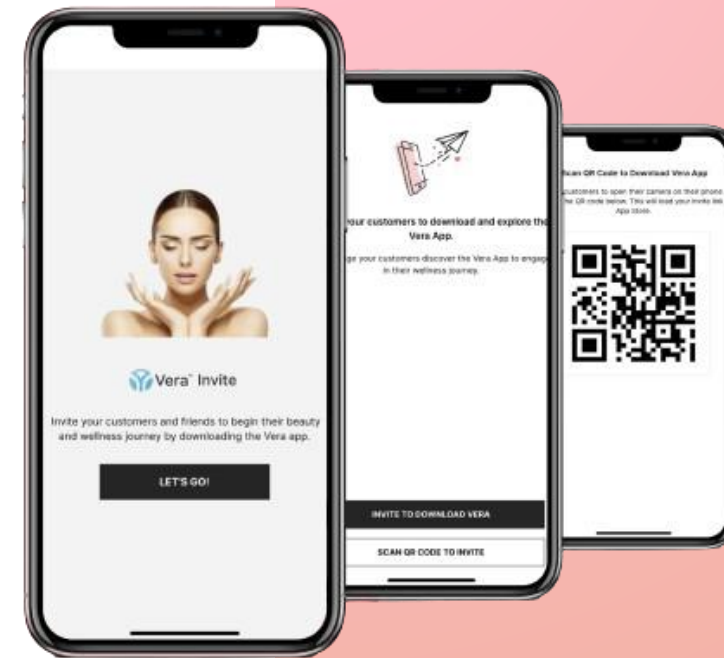

Our new **search bar** makes finding your desired product for purchase or sharing a breeze. Furthermore, you can effortlessly explore our catalog and check product availability in your area.

5

Vera & Sign-up invites

You have the opportunity to craft compelling invitations that attract new customers, members, and potential Brand Affiliates to join our network. Creating an enticing invitation specifically for downloading the Vera app is pivotal to our strategy.
