

Opportunity Testimonial Guidelines

These guidelines provide Brand Affiliates with information about how to promote the Nu Skin Business Opportunity in compliance with the Policies and Procedures.

NU SKIN OPPORTUNITY CLAIMS

An Opportunity Claim is any statement, presentation, video, or social media post that depicts:

- 1) Earnings that can be made through the Nu Skin business
- 2) Purchases made from Nu Skin earnings, or
- 3) Awards received through Nu Skin incentive programs (including success trips).

Opportunity claims should be:

- True
- Never Misleading
- Compliant with these guidelines and the [Policies and Procedures](#).

Nu Skin Key Messaging Principles

BECAUSE OTHERS MAY THINK MESSAGES ARE...	ALWAYS TAKE CARE TO...
"Too good to be true"	<div><div>KEEP IT REAL Be straightforward and don't overstate</div><div></div></div>
"Too little information"	<div><div>BACK IT UP Provide specifics that alleviate concerns</div><div></div></div>
"Too much too soon"	<div><div>MAKE IT RELEVANT Meet your audience where they are today</div><div></div></div>

GENERAL REQUIREMENTS

All income claims must comply with the following guidelines:

1. Claims must be truthful and accurate and never deceptive or misleading.
2. Lavish lifestyle claims and imagery (exotic vacations, high-end vehicles, yachts, airplanes, etc.) are strictly prohibited.
3. Do not claim (or imply) that a Nu Skin business is **easy** or does not require substantial time, skills, or hard work.
4. Do not claim (or imply) that **everyone will succeed** if they simply put in the hours or follow a system.
5. Do not claim (or imply) that operating a Nu Skin business will: allow participants to **quit jobs, replace full-time income, or provide financial freedom**.
6. Keep messaging **balanced and realistic**, do not focus only on examples of successful Brand Affiliates.

7. Do not make claims beyond your **own experience, compensation, and title**.

8. Every time you make an income claim, discuss or otherwise present earnings, you must:

1. **Provide a copy of or a link** to the most recent [compensation summary](#); and
2. **Post** the full text of the **Earnings Disclaimer**:

In 2024, only 21.58% of Active U.S. Nu Skin Brand Affiliates earned sales compensation, and 6% earned \$200 or more monthly, before deducting expenses. These percentages don't account for retail markup from product resales. See full compensation summary [here](#).

9. Use an asterisk (*) next to **all earnings claims** to reference the Earnings Disclaimer. The disclaimer must be **clear, conspicuous, and unavoidable**: use **the same font size, color, and language** used in the main post:

INCOME CLAIMS ON SOCIAL MEDIA

In addition to the guidance for all income claims, follow these guidelines when making income claims on social media.

1. Income, earnings, awards, bonus, and/or compensation claims made on social media **cannot exceed \$200**.
2. All posts **must** follow the same format used in the example posts in these guidelines.
3. All posts must **clearly and unavoidably** disclose your relationship with Nu Skin. **Don't hide your relationship** with Nu Skin behind a "more" button or in a string of hashtags.

Best practices: use **#ad** or **#NuSkinBrandAffiliate**

4. Post the **exact text** of the Earnings Disclaimer:

*In 2024, only 21.58% of Active U.S. Nu Skin Brand Affiliates earned sales compensation, and 6% earned \$200 or more monthly, before deducting expenses. These percentages don't account for retail markup from product resales. See full compensation summary at nuskin.com/compensation.

5. If posting on Reels, Stories, or SnapChat the Earnings Disclaimer must be **superimposed over the video**, legible, and shown long enough for an average person to read.

When making income claims outside of social media (including events, team meetings, and one-to-one conversations), please follow the guidance on [page 15](#) of this document.
